INDEPENDENT FLEET EDITION | 49 CFR 395.22(H) & 395.8

Commercial Driver 30-Day Backup RODS & Roadside Inspection Coil Logbook

In-Cab Paper Graph-Grid Supply, ELD Malfunction Protocol, Data Transfer Checklist & Daily DVIR Log

Imprint: STILL HUMAN FLEET PRESS
Format: 8.5 x 11 in. 360-Degree Lay-Flat Coil Cab Book (30 Complete Daily Spreads)

Compliance Notice: Under 49 CFR 395.22(h), commercial motor vehicles equipped with an ELD must carry data-transfer instructions, malfunction reporting procedures, and at least an 8-day supply of blank paper RODS graph-grids. This independent logbook provides universal blank RODS sheets and generic federal reference tables. Drivers must follow their specific ELD manufacturer's transfer prompt and motor carrier safety policies.

49 CFR 395.22(h) Roadside Inspection & ELD Malfunction Quick Reference

Rule / Requirement	Federal Standard	Driver Action
11-Hour Driving Limit	49 CFR 395.3(a)(3)	Max 11 hours driving after 10 consecutive hours off duty.
14-Hour Window	49 CFR 395.3(a)(2)	May not drive beyond 14th consecutive hour after coming on duty.
30-Min Break	49 CFR 395.3(a)(3)(ii)	Required after 8 cumulative hours of driving time.
60/70-Hour Limit	49 CFR 395.3(b)	Max 60 hrs in 7 days or 70 hrs in 8 days (34-hr restart optional).
ELD Malfunction Notice	49 CFR 395.34(a)	Note malfunction, notify carrier in writing within 24 hours, reconstruct current 24h + prior 7 days on paper grids below.
8-Day Repair Rule	49 CFR 395.34(d)	Carrier must repair/replace malfunctioning ELD within 8 days unless FMCSA extension granted.

Generic Roadside Data Transfer Checklist

1. Select **DOT Inspection / Transfer Data** on your ELD app or cab unit.
2. Choose the official's preferred transfer method: **Web Services** (primary telematics) or **Email**, or local **USB / Bluetooth**.
3. Enter the inspector's exact **Output File Comment / Inspection Code** before transmitting.
4. If the ELD fails to transmit, switch immediately to the blank graph-grid sheets in this binder.

Driver's Daily Record of Duty Status (RODS) - Day #01

Date: ____ / ____ / 202__	**Total Miles Driving Today:** _____	**Truck/Tractor #:** _____
Carrier Name: _____	**Main Office Address:** _____	**Trailer #(s):** _____
Driver Signature: _____	**Co-Driver Name:** _____	**Shipping Doc #:** _____
